

In an effort to make young people aware of the dangers of meth, Attorney General Terry Goddard and the ARIZONA METH PROJECT have partnered in the 2007 Meth NOT EVEN ONCE® Poster Contest. Now, we need your help to raise awareness of the dangers of meth. Eighth graders throughout Arizona are invited to create original artwork illustrating the Meth NOT EVEN ONCE® message for use on a poster that will be distributed in a statewide anti-meth campaign.

It's time for kids to stop other kids from ever trying meth. For more information about the Arizona Meth Project and the dangers of meth, visit www.arizonamethproject.org.
